Thanks for following up. All of my officers had a great time. I am sure we will be back to race again.

Best wishes,
Roy G. Taylor
Chief of Police

Hi Adam,

Thanks for everything, we all had a blast and most people are sore but a good sore! You may see us again. ☺

Regards,

Tracy A. Smedley

Adam;

Thanks again for a fabulous time !!! The team had a blast.

Hi Adam,

I can comfortably say that they had a great time racing yesterday. I just wish I had my video camera with me for a 'fast lap clip' and I could have claimed that it was me driving!!! HA-HA! And there will definitely be a next time.

Also give my sincere thanks to you staff who treated us with grace and a smile.

I certainly will recommend your place whenever I can.

Regards,
Brigitte

Hi Adam,

On behalf of our staff that came to visit yesterday

Thank you!

We were delighted to learn that we have such a great visitor feature, unique meeting and event venue, and restaurant all in one place.

And if all those reasons weren't enough, we had a lot of fun and know Raleigh's future visitors will, too.

Thank you and best wishes for a successful 2008.

Sincerely,
Julie and Team GRCVB

Thanks for the note -
It was great and we all had a blast.

Probably safe to say we'll be back.

Hi Sherif,

We all had a great time at the race track.

It's amazing how much interest everyone has in figuring out average lap times per drive, how much variation every one had, etc.

Thanks again for your help,
- Annie

Hi Sherif, I got many compliments on the event - it was great fun. Thanks to you and your staff.

Thanks!

Jana

Hello !!

I wanted to send this on to all of you -- I was out there on Friday and it was a lot of fun!!! The facility is really nice and I can't say enough good things about the owners and the service they provide!

It's a great team building for work teams and just a good time for a Saturday afternoon too !

Try it out !
Rachel

Sherif, on behalf of my whole group, I want to thank you for a wonderful adventure last Friday. We are planning to stop by every quarter and race. See you in two months.

"You have not lived if you have not experienced the "Rush" from Rush Hour Karting. If you are looking for a team building event that is different or if you just have a group going out for an evening of fun I would highly recommend you try Rush Hour Karting. Adam is the perfect host and I am confident that you will come away saying that it was an experience unlike anything which you experience before."

I think that Rush Hour Karting is a fabulous business and provides a lot of people with a getaway from their everyday life and just to kick back and have fun.

Adam...

First of all...WOW...what a great place for a staff outing. Nothing but positive feedback for you...thought the entire event was great! We'll do this again at some point later in the year. Thanks for the hospitality.

Mike.

Adam,

It was a great time!! I can't believe how physical it was. 35 minutes in those carts did me in for 2 days now. I am ready to hop right back in now though.

I know for one I will be back soon with my son.

Lou
